This engaging and accessible guide shows students how to tailor their learning to their individual needs in order to boost their grades, build their confidence and increase their employability. This is an invaluable resource for undergraduate students of all disciplines, and is also ideal for postgraduates, mature students and international students.

It prepares students for what to expect before, during and after their studies at university. This edition includes support tailored for students on hybrid, asynchronous or distance learning courses as well as more material on building study stamina and improving concentration.
