běžná cena: 3.990 Kč

v této nabídce: **2.800 Kč**

(tato cena platí při objednání titulu do 31.5.2024)

Description

The SAGE Handbook of Global Sociology addresses the 'social', its various expressions globally, and the ways in which such understandings enable us to understand and account for global structures and processes. It demonstrates the vitality of thought from around the world by connecting theories and traditions, including reflections on European colonization, to build shared, rather than universal, understandings.

Across 36 chapters, the Handbook offers a series of perspectives and cases from different locations, enabling the reader better to understand the particularities of specific contexts and how they are connected to global movements and structures. By moving beyond standard accounts of sociology and social theory, this Handbook offers both valuable insight into and scholarly contribution to the field of global sociology.

Part 1: Politics

Part 2: Labour

Part 3: Kinship

Part 4: Belief

Part 5: Technology

Part 6: Ecology
