Thieme Dissector, Second Edition is a richly illustrated and detailed three-volume manual for guiding students and teachers in the dissection lab. It is enriched with intricate illustrations of the human anatomy created from the clinician's perspective. These illustrations and the carefully researched and structured text elucidate the layer-by-layer dissection of each region of the human body in a stepwise manner.

The text of the volumes flows lucidly through well-defined sections in each chapter. These sections have also been made visually distinct to aid access. The authors have aimed to make the reading of these volumes educative, interesting, and visually engaging.

Thieme Dissector Volume 2 : Abdomen and Lower Limb

v měkké vazbě, 324 stran
vyd. Thieme Publisher Delhi, 2.vydání
II/2024
ISBN 9789392819179
